

Purpose of CNCTYC

Article II of the Constitution and Bylaws of the Council of North Central Two-Year Colleges, revised October 2004, states the purposes of the organization:

- To work with The Higher Learning Commission in the promotion of standards, practices, and policies for two-year colleges in the North Central Region.
- To promote effective communication and articulation of the membership represented by this Council with the American Association of Community Colleges and other educational agencies.
- To support appropriate legislation to improve programs and services in two-year colleges.
- To sponsor workshops, seminars, and academies on appropriate topics of interest where differing views, methodologies, and interests that support the goals of The Higher Learning Commission may be shared.
- To promote research and assist the member institutions in meeting change in two-year college education.
- To provide information and encourage community services among member institutions and communities interested in two-year college education.
- To sponsor an annual meeting of the membership at a host site in the North Central States.

Membership Benefits
